

Akira Tenant Build-Out CB RICHARD ELLIS, INC.

LOCATION

Chicago, Illinois (Block 37)

PROJECT DELIVERY

General Contractor

ARCHITECT

OKW Architects

ICI completed several tenant build-outs as well as base building modifications to the Block 37 Retail Development. The Akira space comprises 4,229 square feet of the mall's first floor. Akira is a rapidly growing trendy clothing store based in the Chicago area. Their Block 37 store marks their seventh Chicago area location.

Construction was completed in just eight weeks and finishes included imported Italian tile and a painted, exposed ceiling.
