

Malabar Boutique Tenant Build Out CB RICHARD ELLIS, INC.

LOCATION

Chicago, Illinois (Block 37)

PROJECT DELIVERY

General Contracting

ARCHITECT

JPra Architects

This Claudia Kleiner boutique focuses on Chicago designers with South American Styles and European influences. The interior features of the 730 square foot space emphasize the boutique's style with exposed painted ceiling structures and Scofield Lithrochrome stained concrete floors.

The interior build-out also included structural steel work, framing and drywall, storefront glazing, mechanical and electrical services and distribution.
